Example: Brazil trip (test, not real)

DRAFT: NOT SIGNED OFF

This counts for nothing until the safeguarding lead or deputy signs it off. Bookings stay closed until then.

This must not go ahead as described. These 2 items have to be changed or taken out first:

- Not enough leaders: 3 needed for 12 children (2 under 8); 2 named
- Children left alone with prisoners during the visit

The event

When	Tue 22 Dec 2026, 07:00 – Thu 31 Dec 2026, 18:00
Where	Test Green, São Paulo, Brazil (invented)
Kind	Trip, overseas
Organiser	Olly Organiser (invented)
Leaders named	2: Vic Leader (invented) (trip leader); Lena Lead (invented) (deputy)
Children booked	12, of whom 0 under 8 (12 not known yet)
The ratio	One leader to 5 (one to 4 under 8), and two adults: 3 needed, 2 named: **NOT met**

First draft by AI: checked by Vic Leader (invented) on 23 October 2026.

The checklist

Insurance: is the activity covered by the church's insurance, and has the insurer been told where it needs to be (overseas, overnight, adventurous activities, hired transport)? Who checked, and when?	Answered in general words for insurance (invented)
Who is in charge on the day, and who is the named deputy?	Answered in general words for incharge (invented)
Leaders: enough for the ratio, two adults at all times, and every leader's criminal record check and training in date?	Answered in general words for leaders (invented)
Consent: has a parent or guardian given consent for this event, covering the activities, photos and medical treatment, for every child before they go?	Answered in general words for consent (invented)
Is there a trained paediatric first aider with the group? Who, and when does their certificate run out? **High: no paediatric first aider, and under-8s are going**	No: none of the leaders is trained yet (invented)

DRAFT

Medical needs and allergies: are needs known (in general terms), medicines carried by a named leader, and a trained first aider and kit going?	Answered in general words for medical (invented)
Emergencies: the nearest hospital, how to call for help, the emergency plan, and how parents and the church at home will be told.	Answered in general words for emergency (invented)
Contacts: who is the 24-hour contact at home (not on the trip)? Are leaders' phones charged and with signal?	Answered in general words for contacts (invented)
Head counts and the lost-child plan; the meeting point, and hand-back only to people on the collection list.	Answered in general words for headcount (invented)
Transport: is the operator or driver checked (licence, insurance, seatbelts)? Private cars only with driver checks, and booster seats where needed.	Not applicable: the host's own coach collects us at the airport (invented)
The venue, host or activity provider: checked, their safeguarding policy and risk assessment seen, and licences where they apply (for example adventure activity licensing in the UK)?	Answered in general words for venue (invented)
Photos and social media: consent given, and no locations or names posted?	Answered in general words for photos (invented)
Weather, and the plan if it has to be cancelled or cut short.	**Not answered**
Incidents: how will any incident or concern be recorded and reported to the safeguarding lead?	Answered in general words for incidents (invented)
Government travel advice for the destination: checked, and checked again just before leaving?	Answered in general words for travelAdvice (invented)
Passports, visas, and any rules for children travelling without a parent?	Answered in general words for passports (invented)
Travel insurance for everyone, including medical treatment and repatriation?	Answered in general words for travelInsurance (invented)
Vaccinations and health advice for the destination?	Answered in general words for health (invented)
Local emergency numbers, and the nearest embassy or consulate?	Answered in general words for localEmergency (invented)
Money, and how the group will keep in touch (phones, roaming, wifi)?	**Not answered**
Local helpers or hosts: do they need checks equivalent to ours, and have they had them?	Answered in general words for localHelpers (invented)
Has our insurer's activity form been sent? (invented)	**Not answered**

DRAFT

Has every leader signed the camp's code of conduct? From Hilltop Christian Camp (invented)'s requirements: "Groups must bring a signed code of conduct."	**Not answered**

Questions still to answer

- What is the plan if a passport is lost?

DRAFT

The risks

Hazard	Who's at risk	Before	Controls	After	Owner	Review
Must not go ahead as described. Not enough leaders: 3 needed for 12 children (2 under 8); 2 named From the hub's numbers	Children	**High 25** 5 × 5	• Enough leaders for the children (the ratio) • Two adults at all times • Name 1 more checked leader before it goes ahead	**High 25** 5 × 5	The event's organiser	Before bookings open
Must not go ahead as described. Children left alone with prisoners during the visit	Children	**High 15** 3 × 5	• Leaders with the group at all times • Prison staff brief the leaders first	**High 15** 3 × 5	The trip leader	The day before
Sunburn and heat	Everyone	**Medium 6** 3 × 2	• Sun cream and water breaks	**Low 4** 2 × 2	The trip leader	Each morning
A further invented hazard number 4 with words long enough to wrap across a line or two in the printed table	Young people	**Medium 6** 2 × 3	• A first control for this hazard • A second control, written out in full • A third	**Low 3** 1 × 3	A named role	Weekly
A further invented hazard number 5 with words long enough to wrap across a line or two in the printed table	Young people	**Medium 12** 3 × 4	• A first control for this hazard • A second control, written out in full • A third	**Medium 6** 2 × 3	A named role	Weekly

Ratings: likelihood × impact, 1 to 5 each. 15 or more is High, 5 to 14 Medium, under 5 Low.

DRAFT

Appendix: the host’s requirements

Requirements taken from camp list.pdf, checked by Vic Leader (invented) on 23 October 2026. The original file is kept with the assessment in the hub (camp list.pdf, 47 KB).

Hilltop Christian Camp (invented)’s requirement, as a question	Where it came from
Has every leader signed the camp’s code of conduct?	Groups must bring a signed code of conduct.

Signatures

For a paper file. The hub keeps its own record of who signed it off, and when.
